

## Announcement

July 6, 2011

By the Forum Organization Committee

### Human Health Risk Assessment and Management

### Food Safety

### Environmental Contamination

The Health Bureau of Zhejiang Province, the Science and Technology Department of Zhejiang Province in China and the Office of the Chief Medical Officer of Health, Alberta Health and Wellness in Canada will host the 3<sup>rd</sup> Alberta-Zhejiang Life Sciences international Forum on **Food Safety, Environmental Contamination and Human Health Risk Assessment and Management** on September 19 – 21, 2011 in Hangzhou, Zhejiang, China. The Zhejiang Center for Disease Control and Prevention, the Zhejiang Provincial Center for International Medical & Health Cooperation and Alberta Centre for Toxicology, Canada are the key organizers of this event. The experts in the fields of public health, food safety, human health risk assessment and risk management in China and Canada were invited to give keynote addresses.

For detailed information, please visit our forum website:
